Dining at Monash 2015 will be the fifth publication of this booklet. We endeavour to ensure the information content is up-to-date at the time of printing. We hope this guide will provide students and staff with information about the amazing array of quality and varied food our tenants offer across our five Victorian campuses.

Food ranges from the traditional options of sandwiches and pizza to sushi rolls and fine dining, freshly baked bread and perfectly brewed coffee. The campus maps will assist you in locating these outlets within walking distance to lecture theatres and offices at each campus.

We hope the information contained in the booklet will be useful and you will support the over thirty food outlets on our campuses, here at Monash University.

Wholefoods Restaurant & Cafe is the place to be! As the only not-for-profit, restaurant on campus, Wholefoods is able to provide quality food for prices far lower than would otherwise be possible.

Wholefoods relies on its volunteers so if you're interested in meeting people, gaining skills, being part of a diverse community, and getting a free meal, come along to a training session.

## Vegetarian and vegan

All the food is vegetarian and vegan, but the range of curries, salads, soups and desserts, as well as an array of other delicacies, will leave even the most ardent carnivore satisfied.

Fair trade coffee, teas and chocolate are also available from the grocery.
